Handmade with Heart

DIARY

A thoughtfully crafted diary wrapped in durable cotton fabric, available in beautiful traditional patterns. Each diary combines timeless craftsmanship with sustainable materials.

The pages are made from 100% recycled handmade paper, which is tree-free, acid-free, and wood-free, making it an eco-conscious choice for everyday writing, journaling, and gifting.

TOTE BAG

A stylish and practical everyday carryall crafted from soft, quilted cotton for a lightweight yet comfortable feel. Designed with a smooth top-zip closure.

Lightweight, foldable, reusable, and versatile, this tote is perfect for work, travel, shopping, and everyday use.

SUNGLASSES HOLDER

A soft and lightweight accessory designed to keep your eyewear protected from scratches, dust, and everyday wear. Made from breathable cotton with a gentle padded or soft-lined interior.

Lightweight, reusable, and travel-friendly.

MEN'S WALLET

A lightweight and eco-friendly everyday accessory crafted from soft, natural cotton fabric. Designed for convenience and easy carrying, it offers a simple, functional way to keep your essentials organized while embracing a sustainable lifestyle.

PASSPORT HOLDER

A lightweight and stylish travel essential crafted from soft, durable cotton fabric.

Compact, reusable, and travel-friendly, it is perfect for keeping your passport safe and organized wherever you go.
